-> I like default " ? " marks

imagine ~~base~~ baseball card

Below baseball card —> Questions for Flavor:

- 1) A robber is sent for execution, do you help them escape if nothing happens to you?
- 2) A smart but socially inept wizard hands you a potion of strength-permanence. Do you take it?
- 3) ~~You wake up in a dark cave and hear a voice.~~ It's a beautiful full moon, do you hunt monsters or contract or craft a new spell/potion.
- 4) ~~A horse is racing down a road.~~ An ^{escaped} horse is racing down a ^{road} ~~path~~. Ahead the road lies two paths. one path leads to a ~~group~~ group of orc kids stuck in mud. The other, a beautiful countless of great importance. Do you scare the horse away from the orc kids? The horse can only stay on a path.
